MEMORANDUM FOR: [] Assistant to the Director

SUBJECT : Items for Discussion, PSB Informal Meeting, 17 June 1953

25X1A

1. Attached is the agenda for the PSB meeting of 17 June. Also attached are the documents pertaining to the only item to be considered; a letter from [] dated 12 June, a copy of the 10 June draft of PSB D-23 and a copy of the 10 June summary of that plan.

2. The suggested CIA position on PSB D-23 is contained in a memorandum for the DCI from [] DC/FE, dated 16 June 1953 which is being delivered to you by the FE Division. This paper was developed from comments suggested by the FP Staff, the PM Staff and the FE Division and has been seen by Mr. Tracy Barnes and the DD/P. Paragraphs 4, 5, and 6 of Mr. [] memorandum contain suggestions as to changes of emphasis which would appear to be appropriate for the DCI to bring up at the meeting. Paragraphs 2 and 3 are specific word changes designed to accomplish the results suggested in paragraphs 4, 5 and 6, and you may deem it preferable that these details be submitted to the PSB by memorandum rather than at the Board meeting.
